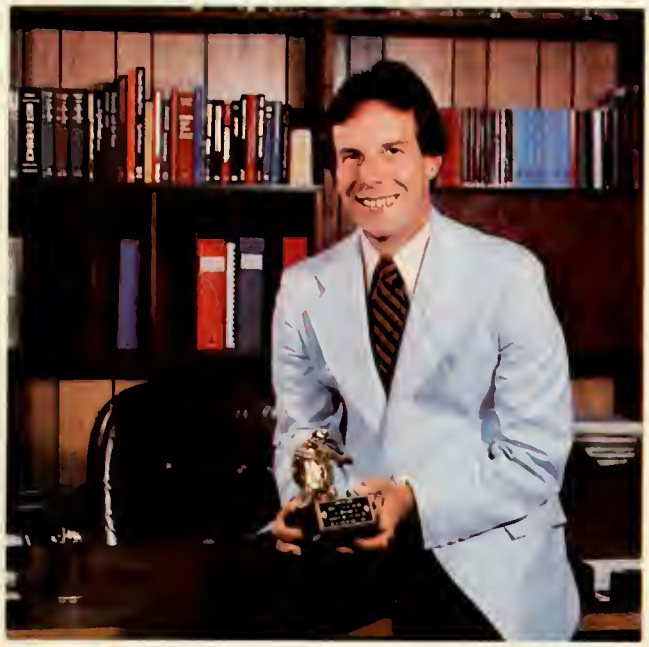
GURNEST BROWN GRABS FUMBLE



Richard Michael "Dick" Dull
Director of Athletics

Dick Dull assumed the duties of Director of Athletics on August 1, 1981. He was appointed by the Board of Regents on June 19, 1981.

He was well qualified for the position taking over a department that he had worked his way through, beginning as a student athlete in 1964.

Everyone felt his biggest challenge would be maintaining financial solvency at a time of rising prices, especially in the areas of equipment, medical care, insurance, travel and scholarships. Competition for the entertainment dollar was also at its peak.

He immediately formed an advisory group within the department that could provide departmental input and at the same time serve as a liaison with the other members of the department. This group for instance was called together and informed of the final decision on the hiring of Football Coach Bobby Ross prior to any public announcement.

Morale within the department is at its best, the department has maintained its solvency and there is a bright outlook for 1982-83 in all sports.

No one expected the football team to win only one of its first five games, while plagued by injuries and dropped punts, and with Jerry Claiborne having coached football at Maryland longer than anyone other than Dr. H. C. Byrd, no one figured he would have to search for a new coach within five months.

However the football team pulled itself together and won three of its last six games and Kentucky lured Claiborne home where he became one of the highest paid coaches (among top five) in the nation.

Dull then faced his biggest challenge with the sole responsibility of finding a replacement coach. He publically announced what he was looking for in a coach, and then hired Bobby Ross within the time frame he had announced. His criteria included, (1) a coach representative of the values, goals, and aspirations which Maryland had established for itself as an academic institution. (2) a coach capable of providing a positive, meaningful and educational experience for the young men who play football at Maryland. (3) a coach capable of winning football games. (4) a coach who believed in playing wide open offensive football with special emphasis on the passing game.

The basketball season provided some bright moments for the athletic director as "Lefty Driesell's squad upset, then top ranked Virginia, in the last game of the season and went on to the National Invitational Tournament. Chris Weller's team reached the final four in the first NCAA Championship Tournament for women, and the women's lacrosse team reached the AIAW championship game.

Even the ACC meeting became more of a challenge with negotiations for a new basketball television contract, the installation of a 30 second clock and three point field goal in basketball, and discussions aimed at improving recruiting guides and academic standards.

Certainly his Doctor of Laws, from the University of Maryland School of Law in 1971 and the experience gained as an Attorney at Law for four years contributed to his success and perseverance throughout the past year.

Since joining the Maryland Athletic Department his duties have encompassed everything from coaching on the field to scheduling, supervision and administration of all non-revenue sports, serving as liaison with Office of Financial Aid, supervision and administration of Business Office of Intercollegiate Athletics and he reorganized the former Department of Women's Intercollegiate Athletics into Office of Non-Revenue Sports.

Since taking over as Athletic Director he has reorganized the promotions department with staff members serving as Director of Marketing and Director of Sales and initiated new Athletic Department publications designed to whet the appetite of sports fans interested in Maryland athletics.

He initially came to Maryland as a student-athlete from Biglerville High in Pennsylvania. He received his Bachelor of Arts as a Political Science major in 1967 and then moved on to the Maryland School of Law.

As an undergraduate he was a champion javelin thrower for the Maryland Track and Field team. His best competitive throw was 251 feet.

He was the Pennsylvania High School Champion in 1961, the Pennsylvania Jaycee State Champion in 1963 and PIAA State Runner-up in 1963. In 1965 he was the National Junior AAU Champion.

Among his many titles won while at Maryland are Atlantic Coast Conference Champion, Penn Relay Champion, and ACC-SEC Champion. While an undergraduate he placed eighth in the National AAU Championships and eighth in the NCAA Championships.

As a javelin coach he produced two ACC Champions and an All-American, while also handling the academic affairs and administration of the Track team.

His bar memberships include the Court of Appeals of Maryland and the Federal Court for District of Maryland.

He served from June 1971 to June 1973 as Attorney at Law, Legal Aid Bureau in Baltimore, Maryland and from June 1973 to January 1975 as Attorney at Law with the University of Southern California, National Senior Citizens Law Center. While with USC he served for a period as the Acting Director of the Washington office.

His hobbies include photography, fishing and motor sports. He was born on July 1, 1945.

Robert J. "Bobby" Ross
Head Football Coach

Bobby Ross assumed the duties as Head Coach at the University of Maryland on January 14, 1982, bringing with him a wealth of experience in the coaching ranks.

He gained his experience by coaching at every level of competition, from Benedictine High School (Richmond Virginia) to the Kansas City Chiefs in the National Football League.

He impressed Director of Athletics Dick Dull with his outlook on Intercollegiate Athletics, his organizational ability, his views on recruiting, classroom work, and all phases of his coaching ability.

Coach Ross has had a hand in just about every phase of coaching. He has worked as a Head Coach in High School, Head Coach on the Collegiate level and as an assistant in the NFL. He has served as an assistant working with the freshmen, the defensive secondary, the offensive backfield, and the linebackers. He has worked as defensive coordinator and headed the recruiting programs at several schools. On the professional level he has worked with the special teams, the defense, and has coached the offensive backfield.

As a head coach his 1974 Citadel team led the Southern Conference in total offense and his 1975 team ranked fifth in the nation in scoring defense, allowing opponents only 8.8 points a game. He coached The Citadel's all-time passer, all-time ground gainer and all-time place kicker. He also coached the school's first Associated Press All-American. His Citadel teams led the Southern Conference in home attendance in his last three years there and in 1975 and '76 broke the all-time home attendance records for the school.

His first chore as the Maryland Coach was assembling a coaching staff. One that would bring new ideas and innovations to the game, experienced coaches and men who can convey their ideas to the young men they are coaching and have the ability to recruit young men. Seven of the eight assistant coaches have advanced degrees. The staff has worked with such well known coaches as Jerry Claiborne, John McKenna, Marv Levy, Bill Peterson, Ara Parseghian, Lou Holtz, Bo Rein, Bob Blackman, Ben Schwartzwalder, George Welsh, Bob Thalman, and Vince Gibson among others.

Coach Ross immediately impressed upon the Terrapins the importance of their success in the classroom if they wished to perform on the football field. In his first semester at College Park there were 20 members of the football team on the Dean's List with a 3.0 scholastic average or better and 17 of the 20 return this fall. Eight Terps were on the ACC Honor roll with a 3.0 or better for the entire year and seven of the eight return for the 1982 football season.

He is also a strong believer in conditioning and the weight program. The Terps left campus this spring with 17 members of the squad bench pressing over 400 pounds and only nine of the 17 had achieved this mark last fall. The 1981 Terps set a record with 11 members of the 400 pound club and two of the 11 have completed their eligibility. Several others are likely to join the club this fall as they just missed the mark during the spring.

Coach Ross earned a reputation at The Citadel as a man of detail and organization and was always accessible. He immediately impressed everyone in College Park in the same manner. He has been accessible to the media, alumni and fans alike. He has covered the state from border to border on speaking engagements and has participated in numerous clinics.

RANDY WHITE was awarded the OUTLAND TROPHY, the LOMBARDI TROPHY, the LIBERTY BOWL MVP, ACC PLAYER OF THE YEAR honors and his number (94) was retired by the University of Maryland in 1974. White, a defensive tackle for the Terps is now with the Dallas Cowboys of the NFL.

WEIGHT TRAINING

Bobby Ross was an assistant coach with the Terrapins in 1972 when Maryland embarked on an intensive weight training program. His feelings towards a weight program are if anything even stronger today.

Frank Costello installed a downhill running program that he picked up from the Russians a few years ago while serving as the Maryland track coach in the mid '70's. Costello has worked with several NFL teams, especially the Green Bay Packers as a conditioning coach during the training camps. He is now the conditioning and weight training coach for all Maryland athletes. His training programs are designed for each sport and position as needed and may be quite effective if followed throughout the summer without requiring too much time.

Maryland football players have pride in their weight training and their off season efforts are obvious when they return in the fall bench pressing considerably more than they did when they completed spring practice.

Terps still point to Randy White of the Dallas Cowboys as an example. White has provided incentive to many Maryland athletes with his accomplishments in the program. White weighed 212 pounds and bench pressed 260 pounds when he enrolled at Maryland. He left at 248 pounds and bench pressed 450. Joining the 400 pound bench press club has become a goal for Maryland football players.

DR. JOHN SAMPSON TOLL

PRESIDENT
UNIVERSITY OF MARYLAND

John S. Toll, the 22nd president of the University of Maryland, has become a vital force for higher education in the State of Maryland.

The drive behind the Toll presidency is a pledge that "with a determined effort from everyone concerned, the University of Maryland can, in about a decade, become one of the best state university systems in the nation."

Since he became president on July 1, 1978, the University has developed planning documents for the Eastern Shore and Baltimore County Campuses; has initiated multi-campus programs which utilize the resources of the College Park Campus and the University of Maryland at Baltimore; is helping to develop plans through University College for a national television education system; and has raised undergraduate admission standards.

More than $465,000 in grants, including a $190,000 Carnegie Foundation award, were obtained in the first eight months of the Toll presidency to assist Dr. Toll in developing his "Agenda for the 80s," a plan to assure that the University will meet future societal needs. The Carnegie grant will fund an intensive study of the University's roles and missions by a team of educational experts. The results of the study may make the University of Maryland a model for other universities.

"The University of Maryland must adapt to new circumstances and respond to new demands that are being made of universities to provide increasing services to the society," President Toll said. "This process of reshaping the University to gain more effective use of resources, to expand the service mission, and to increase the excellence of the teaching and research missions is now underway. The University intends to bring its resources to bear on the social and economic development of the State of Maryland and to develop scholarly programs and research projects that will help the state and the nation prosper during the next decade."

Dr. Toll first came to the University in 1953 as professor and chairman of what was then a six-man physics department.

Dr. Toll received his undergraduate degree in physics from Yale where he graduated with highest honors. His advanced physics degrees were earned at Princeton. An avid jogger, camper and tennis player, Dr. Toll and his wife Deborah have two daughters.

DR. CHARLES A. TAFF
Chairman, Athletic Council

Dr. Charles A. Taff, Professor of Transportation, College of Business and Management, is Chairman of the Athletic Council. Dr. Taff served as Chairman of the Department of Business Administration from 1962 to 1973. He is the author of numerous articles and of four books, two of which are in sixth editions.

For fifteen years Dr. Taff was Editor of the *Transportation Journal,* a professional publication that is published quarterly, and is currently a member of its Editorial Review Board.

He served as a member of the Joint U.S. Canadian St. Lawrence Seaways Tolls Committee which recommended the fee structure for the Seaway. He has served as a transportation consultant to the President's Council of Economic Advisors under four Presidents.

He currently serves as President of the Atlantic Coast Conference.

FRANCIS A. GRAY, JR.

Assistant Athletic Director

Frank Gray joined the athletic department as Administrative Director in 1972.

He is primarily responsible for the fiscal program of the department with an operating budget of approximately $4,000,000.

A native of Maryland and 1943 graduate of the University with a degree in Agricultural Engineering and Farm Management he began his professional career with the University as an Assistant County Agricultural Agent.

He entered private industry in 1955 but returned to the University in 1960 as Associate Dean of Student Life. During his 12 years prior to joining the Athletic Department he served two years as Acting Dean for Student Life and has served as Administrative Director for the Executive Dean for Student Life, the Vice President for Student Affairs and the Vice Chancellor for Student Affairs.

MARYLAND EDUCATIONAL FOUNDATION

Tom Fields has reached a goal that many said could not be achieved when he took over as Executive Director of the Maryland Educational Foundation in 1970.

For the past fiscal year the funds generated by the Educational Foundation totaled $1,250,000. When Fields returned to the University of Maryland the contributions to the Educational Foundation were minimal. For the fiscal year ending June 30, 1970, the contributions were approximately $30,000.

The membership of the Terrapin Club has expanded accordingly from the 132 original members to 1,900. The club in addition to the contributions to the Educational Foundation supports the athletic program in many other ways, especially with their attendance at the events. Over one half of all contributors did not attend the University of Maryland but all are strong supporters of Intercollegiate Athletics and its principals of competition.

The funds provided by the foundation have enabled the Terrapins to develop a Women's program that has also gained national recognition. The scholarship program for the women athletes is on a par with the program for the men's non-revenue sports.

The Terrapin Club membership currently includes 45 life members ($10,000 contribution), 58 Super Terrapins ($2,500 annual contrbutions), 461 Diamondback members ($1,200 annual contribution) and 386 Gold members (600 annual contribution).

Fields, a retired Colonel from the Marine Corps returned to Maryland in 1970, where as a track star he helped lead the Terps to one of their finest days ever at the Penn Relays winning three Championship of America relay races. During World War II he served in combat in Guadalcanal, Vella Lavella, Bouganville and Iwo Jima. He also served in Korea and Vietnam and at the time of his retirement from the Corps he was the Deputy Director of Information, Headquarters, Marine Corps.

The 1981 football season was not a typical season for the Maryland Terrapins or Coach Jerry Claiborne. (Note Claiborne moved on to his Alma Mater Kentucky following the season).

The Terps opened the season without a letterman in the secondary, with a starting linebacker , starting defensive back and starting defensive end at home. Two other linebackers were injured in the opening game along with the starting quarterback and his backup.

VANDERBILT: The Commodores drove 86 yards in 13 plays with 5:11 left in the game to take a 20-17 lead and then added a field goal with 52 seconds left after taking a Maryland fumble and moving only six yards. Terp quarterback Brent Dewitz was injured in the first quarter and had a knee operation the following week. Bob Milkovich the second quarterback suffered a minor injury but finished the game. Vanderbilt drove 18 yards for its first touchdown following a second quarter Maryland fumble. Milkovich threw two touchdown passes and Jess Atkinson kicked a 21 yard field goal.

WEST VIRGINIA: The Terps led 13-10 with 4:45 remaining in the game and had a 25 mile per hour wind at their backs but fumbled a punt on the 12 yard line. West Virginia recovered, then got a pass interference call while the Terps were intercepting a pass in the end zone. The Mountaineers scored, winning 17-13. With two quarterbacks out "Boomer" Esiason played in his first varsity game as the starting quarterback. He completed 15 of 32 passes for 164 yards with five passes to wide receiver Mike Lewis. Jess Atkinson kicked field goals of 21 and 44 yards and Willie Joyner rushed for 96 yards and a touchdown.

NORTH CAROLINA STATE: The Terps dominated the N.C. State game but had trouble with the kicking game as the Wolfpack blocked a pair of field goal attempts and blocked a punt that was run in for a touchdown. Jess Atkinson kicked field goals of 42 and 48 yards. Mike Lewis scored twice, on a run of 19 yards and a 15 yard pass from "Boomer" Esiason. John Nash rushed for 104 yards and Esiason passed for 109 yards and two touchdowns.

SYRACUSE: Terps led Syracuse 17-3 in the fourth quarter but gave up two touchdowns and a two point conversion pass for a 17-17 tie. Jess Atkinson kicked a 42 yard field goal and Mike Lewis scored a touchdown on a nine yard pass from "Boomer" Esiason and then grabbed a two point conversion from Esiason. Esiason passed for 199 yards and two touchdowns including a 69 yard toss to Russell Davis. On fourth quarter touchdown drives Syracuse hit on passes on 3/10 from 29 and 3/9 for touchdown. Then hit on 4/14 from 35 for gain of 20 yards to Maryland 15 setting up their final touchdown and the two point conversion with 16 seconds left.

FLORIDA: Terps led Florida 7-6 in the third quarter but gave up a safety and Florida then scored its only tuchdown of the game on a 47 yard drive with a nine yard pass from the fullback to the quarterback. Florida completed 31 of 47 passes but the only scoring pass was by the fulback.

WAKE FOREST: Wake Forest drove to Maryland seven on their first possession but Bill McFadden intercepted on the three and returned 97 yards for Maryland touchdown. Mike Davis scored on 41 yard reverse and Terps led 14-0 in first quarter. Maryland never trailed in the game but the score was tied at 17-17, 24-24 and 31-31. Terps gave Deacons a safety on final play for final 45-33 score. Wake Forest passed for 556 yards in the game and called 81 pass plays. They were credited with 67 passes, eight quarterback sacks and had had six passes nullified by penalties. "Boomer" Esiason passed for 220 yards and a pair of touchdowns while hitting 14 of 22. Stan Gelbaugh hit his only attempt a 13 yard toss to Esiason. Joe Brkovich caught six for the Terps while Phil Denfeld caught 12 for the Deacons. Gary Schofield hit on 43 of 62 attemps for 504 yards

with two touchdowns and four Terrapin interceptions.

DUKE: Terps led Duke 21-7 in first quarter and 24-14 in the second but won 24-21 when Duke missed a 42 yard field goal with two seconds left in the game. Esiason hit on six of 10 passes. Duke threw 46 passes, completed 31. Wysocki scored on runs of 17 and 54 yards while Tim Quander scored on a 92 yard kickoff return.

NORTH CAROLINA: Terps led ninth ranked North Carolina 10-7 in the fourth quarter and stopped the Tar Heels on a 4th and one from the 28 and 4th and one from the 34. With 1.26 left in the game the Tar Heels punted to Maryland on the 20 but the punt was fumbled. North Carolina recovered and went in to score for 17-10 decision. Maryland drove from the 20 to the Tar Heel 15 following the kickoff but had a pass intercepted with eight seconds left in the game on third down. Bob Milkovich took over on Maryland's 40 during the drive as Boomer Esiason suffered a neck injury and was taken to the hospital. In the first quarter the Terps blocked a field goal from the 25, caught it in mid-air and ran it to the 40 but with two blockers in front the runner dropped the ball and a pursuing Tar Heel recovered. The Tar Heels then went in for the score and led 7-0. North Carolina kicked a 35 yard field goal to tie the score with 5:45 left in the game. Esiason passed for 233 yards and a touchdown with Russell Davis catching six passes for the Terps.

TULANE: All three touchdowns came in the third quarter. Terps tied score 7-7 on a 60 yard pass play from "Boomer" Esiason to Russell Davis. Esiason passed for 219 yards with eight passes to John Nash for 96 yards.

CLEMSON: Tigers scored all 21 points in first half. Maryland scored in fourth quarter. Homer Jordan completed 20 of 29 passes for 270 yards and three touchdowns. Terps had 44 yards rushing. Terps had a third quarter touchdown pass of four yards to John Nash nullified by offensive pass interference in the end zone.

VIRGINIA: Terps led 41-0 in third quarter as Charlie Wysocki rushed for 153 yards and scored four touchdowns in his final game for Maryland. "Boomer" Esiason hit on 10 of 13 passes for 191 yards. Esiason hit on a 12 yard pass to John Tice in third quarter for a new season record of 122 completions and left the game. Only Maryland and Clemson (88.7) held opponents to four touchdowns on the ground. It was the eighth time in the last 10 years the Terps have led the ACC in rushing defense utilizing the Wide Tackle Six.

KICKOFF RETURNS: The Terps led the ACC in kickoff return average in 1981 with a 23.2 average on 25 returns. This was also the seventh best in the nation. Maryland was the only team in the league to return a kickoff for a touchdown in '81 as Tim Quander recorded a 92 yard return against Duke for a touchdown.

THE KICK SCORING LEADERS:

79 — Steve Mike-Mayer, 1974 — Soccer Style
73 — Ed Loncar, 1978 — Soccer Style
70 — Dale Castro, 1979 — Soccer Style
69 — Steve Mike-Mayer, 1973 — Soccer Style
67 — Mike Sochko, 1975 — Conventional
60 — Jess Atkinson, 1981 — Soccer Style
55 — Kambiz Behbahani, 1971 — Soccer Style
51 — Dale Castro, 1980 — Soccer Style

Steve Mike-Mayer and Dale Castro were First Team All-American selections as placekickers. Castro hit an NCAA record 16 consecutive field goals during the 1979 season.

Boomer Esiason

LAST TEN YEARS IN BYRD STADIUM: The Terrapins have a 43-12-1 record in Byrd Stadium for the last ten years. Of the 12 losses four have been to Penn State, three to West Virginia and North Carolina and one each to Alabama and Clemson.

KICK SCORING: When Jess Atkinson joined the 1981 football team as a walkon placekicker he was following some outstanding kickers. He had not kicked in high school and was a soccer player. Atkinson finished the season with 60 points (Maryland's leading scorer) and only a dozen Terps had ever scored more in a single season. Steve Mike-Mayer, another kicker who had not kicked in high school recorded 79 in 1974 and 69 in 1973. Ed Loncar, another soccer style kicker had 73 points in 1978 while Dale Castro had 70 in 1979. Mike Sochko the only conventional kicker among the group had 67 points in 1975.

CO-CAPTAINS: Offensive Tackle David Pacella and Defensive Guard Mike Corvino were elected Co-Captains for the 1982 season following spring practice. They are the first to serve for the entire season since Guy Roberts and Bill Meister captained the 1971 team. In recent years the Terps have utilized game captains selected by the coaching staff. Coach Bobby Ross decided on permanent captains, with one each from the offense and defense from among the seniors on the squad, to be picked by the team members. He felt the Co-Captains could provide leadership both on and off the field and throughout the school year. Pacella captained his football and wrestling team in high while Corvino captained his football and basketball teams in high school.

PLAYERS: It is requested that all player interviews be arranged through the sports information office. We will make every attempt to have the players call you at a designated time or be available for an interview on campus. Please make request at least a day in advance so we can arrange with the athletes at practice. On many class days it is impossible to get in touch with them until they show up at practice.

HOME GAMES: Coach Ross will meet the media in the Team Meeting room on first floor of the football building about 10 minutes after the game. Key players will also be available in this area following Coach Ross. The visiting coach will meet the Media in Coach Stan Pitts' Track office adjacent to the visiting locker room.

TUESDAY PRESS LUNCHEON: Coach Ross and Athletic Department officials will attend a weekly luncheon each Tuesday during the season at the Center of Adult Education on Campus. Coach Ross will be available from 11:45 to 1:15 or upon completion of the interviews. TV and Radio interviews will be accomodated prior to and following the luncheon as requested.

NOTE: For those requesting Tuesday player interviews if classes do not conflict we will have them available in the sports information office at 1:30.
